

## TASKI Tapi Deo

Air freshner for vacuum cleaners

# C9a

### Description

Freshens the room while vacuuming by neutralising the malodours from the exhaust air of the vacuum cleaner.

### Key properties

- Extremely high concentration of fragrance in a polymer agglomerate
- Practical individual bag (sachet)

### Benefits

- Eliminates malodours generated though vacuuming and leaves a long lasting fresh fragrance
- Trouble free and easy to use for your staff. Renewed with each change of bag.

### Use instructions

#### Dosage:

Use one bag (sachet) per vacuuming bag.

#### Application:

Tear off at the notch of one bag (sachet). Tip the granules directly on the floor and vacuum up

### Technical data

- Appearance: Yellow granules
- Relative density (20°C): 1.00

The above data is typical of normal production and should not be taken as a specification.

### Safe handling and storage information

#### Safe handling:

Full guidance on the handling and disposal of this product is provided in a separate Material Safety Data Sheet.

Only for professional users / specialists.

#### Storage Information:

Store in original closed containers away from extremes of temperature.
