

# Surface cleaner

## Product description

- 99,9% effective against harmful bacteria commonly found in the washroom area
- Alcohol-low sanitizing formula
- Quick drying, non-flammable
- Safe for children
- Can also be used perfectly for other applications, such as door handles, baby changing units and any other hard surfaces

## Benefits

- Extremely strong and chemically resistant packaging, hygienically sealed to avoid potential contamination
- Super-efficient: the high number of doses per refill makes the Foom dispensing systems the most economical systems in the world

## Additional information
