SYSTEM

Hanging bin

Ideal for areas where frequent cleaning is needed, cleaning operations are faster as the bin is hanging

GREEN BOX

Eco-friendly: completely made of polypropylene, non-rusting, solid and entirely recyclable

Advantages

- **Elegant:** pleasant design, ideal for any environments
- **Time-saving:** it does not slow up cleaning operations, enables cleaning tools to pass on the floor, it does not get dirty as it does not have any contact with the floor
- In compliance with the H.A.C.C.P. regulations, that requires bins avoiding any contact with the hands and that are easy to clean and disinfect
- **Hygienic:** the large pedal with block-system allows stepping easily on the pedal both frontally as sideways; it enables to use it without any contact with the hands
- **Noiseless:** equipped with SHHUT system to close slowly and noiselessly the lid
- **Anti-odour:** lid provided with odour eliminating cartridge box
- **Safe:** provided with key to lock the bin to the support and keep the lid open during emptying
- **Handy:** the handles to lift the bin are on both sides
- Ideal to create islands of separate waste collection thanks to the colour-coded lids
- **Easy to maintain:** the smooth surfaces and the absence of cavities facilitate cleaning and guarantee a high level of hygiene

Material

Polypropylene

Features

Provided with kit to secure the bin to the wall through a support and screws (at about 10 cm from the floor)

Bin designed to stand even detached from the wall support

Provided with bag tightener

Available on request system with fixed hook to stop the lid in the open position and detach the bin from the support
