PASTILLE VAISSELLE TOUT EN 1

CONCENT ECOLABEL HYDRO ANG ALL

Product data

Product information

All in one ecolabel concentrated dishwasher tab (jar of 150 tabs)

Size of the tab: 39 x 27 x 15 mm

Weight: around 16grs

1 CSU = 1 jar (150 tabs)

Components

Oxygen-based bleaching agents: 5% or more, but less than 15%

Polycarboxylates, non-ionic surfactants: less than 5%

Enzymes

Vegetable-based surfactants

Vegetable-based binding

Contains 95% of natural origin ingredients

Preservativeless

Specifications

Appearance: Tri-layered soluble filmed tablet, 16grs

Color: beige/white/beige (natural color)

Dissolving time: less than 15min at 30°C. Zero residue after 20 minutes.

Enzymatic formula for a better efficiency

Effective cleaning even in hard water (max 20°dH=35TH): effective on oxidisable stains thanks to the active oxygen content, effective on protein-containing and starch-based stains thanks to the enzymes joint action.

Shining steel and glass (surfactants and polymers help the flow of water off the crockery).

Short cycle efficient

pH 9,5 - 11,5

Precautions instructions

Avoid to wash in dishwasher: antique porcelain; crystal glass; painted by hand, golden, silvery, wood, horn, silver, copper, aluminum goods. Avoid direct contact between silver/silvery goods and other metal goods (follow the instructions of the dishwasher manufacturer). Follow the manufacturer recommendation.

Contact with fabrics may cause a discoloration.

Keep away from moisture and under 40°C.

Norms and tests

Using an European union ecological record label endowed product and following the instructions of use, the water and power consumption will decrease as well as the water pollution.

Complies with the legislation regarding cleaned surfaces in contact with food products.

Orders

Orders are made by rank of a pallet (by 18 jars).

Instructions of use

Household machine: 1 tab = 1 use.

For standard dirtied crockery: 1 tab, 45°C max programme.

For a really dirty crockery or really hard water: 1 tab, 45°C programme.

Professional machine:

Tank	First Charge (tabs)	Reload every 15 baskets
40-60L	2-3	1-2
60-80L	4-5	3-4
80L and more	5-7	4-5

Remove all the remaining food from the crockery.

Use the tab in a dishwasher only. Put the tab in the batcher.

Soluble film, no need to remove it before use.

The use of dishwasher salt and liquid rinse is recommended in case of hard water (>35°TH/20°dH).

Close the jar after use (avoid moisture, temperature less than 40°C).

This product is very efficient under 50°C. Choose a low temperature programme, run the fully loaded dishwasher and do not exceed the recommended dose.
